

2020 Rise SC Reliant Power Cup Coaches' Packet

This packet is intended to provide information for coaches and team managers about how the 2019 Rise SC nrg Power Cup will be run, and tips to make the tournament successful and fun for you, your players, and their families.

Administrative Details

Team officials (coaches/team managers) must have available (in paper or digital form) at all times medical releases for all players. Medical releases can be obtained for USYS/STYSA teams [here](#). Team officials from visiting (non-Rise teams) must also have player passes of all players participating in the tournament, if available.

Check-in: There is NO physical check-in for this tournament. All check-in must be done online prior to the tournament's start.

Scoring

Team officials are responsible for reporting the scores. Referees will be given a game card for each game. At the conclusion of each game the game card will be given to the winning team official (or home team official in the case of a tie). (1) reporting the score online or over the phone (instruction on a subsequent page), and (2) turning the game card in to the Site HQ. You can see where each site's headquarters are by referring to the maps included.

I recommend both teams take a picture of the game card.

If the scores are not reported, the standings won't be updated. Please do your part.

You can check the standings and schedule [here](#), also accessible from the [tournament page](#).

If a score is reported incorrectly please text Jason Wintz at 713-857-0076. Please provide information such as field number, bracket, time, teams involved and correct score. If you have a photo of the game card you can send that.

Parking

Parking is always a challenge at tournaments. Please encourage your families to take the following steps to reduce parking headaches (and read the site-specific information at the end of this packet for more parking information):

- Give yourself plenty of extra time to arrive at the fields. If you're running late you will be tempted to stop in the middle of the roadway and drop kids off at the fields, which is both unsafe and slows down the progress of other drivers.
- Carpooling will reduce your stress as well.

- Please do not stay at the parks between games if you can avoid it. Go back to your hotel, go home, go to a coffee shop to rest. There are not enough parking spaces for everyone to stay at the park.

Medics

We will have athletic trainers at all parks to help with any issues that arise. Their location is noted on the maps. There are some parking spaces in front of their location. Please reserve those spaces for the medics and people seeking treatment (signs will be posted).

Weather

We are optimistic that the weather will be just about perfect this weekend. I encourage every family to be subscribed to RainedOut to receive weather and other emergency alerts via email and/or SMS (text messages). There are several easy ways to do so:

Click on this [link](#) to subscribe, or subscribe by texting *RISESC* to 84483.

Finals and Awards

Who makes it to the finals? It depends on how many teams are in your division (Navy, Volt, Magenta or Anthracite). If you have a total of four teams in your division the top two will advance to the final. If you are in a 6-team division, divided into two pools of three, each team will play the three teams from the opposite pool. Then the top two *overall*, regardless of pool, will advance to the final. If you are in an 8-team division, divided into two pools of four, the winner of each 4-team pool will advance to the final.

All finals will be played at Camp Sienna or South Campus. Awards stages are marked on the maps. All finalists will be able to pick up 1st or 2nd place medals at the awards tent upon conclusion of their final match.

Concessions, Food Trucks, and More

We will have concessions at each park, noted on the pages for those parks.
